

## COONAWARRA PREMIUM VINEYARDS 2006 CABERNET SAUVIGNON

The Coonawarra Premium Vineyards range is produced from the highest quality fruit from our vineyards in the well known Coonawarra region of South Australia and reflects the richness, intensity and depth of flavour this winemaking area has to offer.

### VINTAGE

A warm dry ripening period resulted in excellent fruit flavour development, colour and acid balance in the grapes.

### WINEMAKING

Favourable conditions allowed us to harvest the cabernet sauvignon in early April. A long ferment with up to 14 days on skins has resulted in a true Coonawarra classic cabernet sauvignon.

### COLOUR

Deep vibrant purple.

### BOUQUET

Classic blackcurrant and blackberry aromas.

### PALATE

Intense cassis, sweet cherry and chocolate flavours come together to create a long silky finish.

### SUGGESTED FOOD

Enjoy with premium cuts of steak.

### CELLARING

A very attractive wine now, the 2006 cabernet sauvignon has longevity and will reward careful cellaring up to 2016.
