

LINDEMANS

Bin 45 Cabernet Sauvignon 2006

LINDEMANS wines promise more than the partnering of quality grapes and craftsmanship. Every wine also contains the spirit and passion of our founder - Dr Henry J Lindeman.

The LINDEMANS Bin Series wines are made with fruit sourced from key grape-growing regions in Australia. This ability of LINDEMANS to source and blend wines from different regions produces wine of a consistently outstanding quality regardless of varying vintage conditions.

The generous flavours and contemporary, easy-drinking style of LINDEMANS Bin 45 Cabernet Sauvignon combines easily with food and most social occasions to deliver maximum enjoyment from the first glass to the last.

Regional Source

This wine is sourced from premium wine regions across south east Australia.

Vintage Conditions

2006 was a relatively early vintage, with low rainfall and warm weather contributing to an early budburst and flowering. Mild to warm weather throughout summer helped the fruit to mature well and rains at harvest allowed fruit to ripen well with good varietal character.
