

Lindemans

Bin 75 Riesling 2005

Lindemans wines promise more than the partnering of quality grapes and craftsmanship. Every wine also contains the spirit and passion of our founder - Dr Henry J. Lindeman.

The Lindemans Bin Series wines are made with fruit sourced from key grape growing regions in Australia. This ability of Lindemans to source and blend wines from different regions, produces wine of a consistently outstanding quality regardless of varying vintage conditions.

As further evidence of Lindemans understanding of the demands of their customers, the 2004 Lindemans Riesling is available in the revolutionary BVS screw cap. The BVS screw cap, thanks to its unique 'roll down' seal over the lip of the bottle, provides a near-perfect closure.

The generous flavours and contemporary, easy-drinking style of Lindemans Bin 75 Riesling combines easily with food and most social occasions to deliver maximum enjoyment from the first glass to the last.

Regional Source

A multi-district blend drawn from vineyards throughout South Eastern Australia.

Vintage Conditions

The 2005 vintage was of consistent good quality across all regions. Favourable seasonal conditions - particularly mild temperatures, with few sustained hot periods, and moderate and generally well timed rainfall - resulted in good quality and steady ripening of fruit, with full varietal characters being developed.

Maturation

This wine was matured in stainless steel.

Winemaker Comments: Marie Clay

Colour

Pale straw yellow.

Nose

Citrus aromas of lemon and lime greet the nose with subtle mineral tones.

Palate

A fresh, zesty wine with lemon and lime flavours following from the nose. A slatey/mineral element adds complexity and leads to a juicy, clean finish.
